

FEMINIST APPROACHES TO **Studying Migration**

a campus conversation on feminist research

This is the first in a series to foster cross-disciplinary conversation on the contributions of feminist research. Each conversation centers on a pressing societal challenge and features scholars from different fields whose commitment to feminism shapes the "what" and "how" of their work.

MONDAY, MARCH 13
12-1PM, 2203 SS&H

NATALIA DEEB-SOSSA, CHICANA/O STUDIES

MARC SCHENKER, PUBLIC HEALTH SCIENCES & MEDICINE
